Bcrypt | AWS | SASS | Git | axios

PROFESSIONAL EXPERIENCE

Devmountain | Lehi, UT   *May 2023 - September 2023*
Web Developer (student)

[E-Commerce Website](#) - [Github Repo](#) | [Demo](#)

React | JavaScript | HTML | CSS | Axios | Express | Sequelize | Node.JS | pgAdmin 4 | Bcrypt | JWT
- Leveraged a comprehensive technology stack to deliver a feature-rich web app, combining front-end technologies like HTML, CSS, and JavaScript with back-end frameworks such as Node.js and Express
- Successfully integrated key components like the dynamic carousel, user login, and cart modal to provide a cohesive and responsive e-commerce platform
- Implemented secure user authentication and login functionality using JWT for token-based authorization and Bcrypt for password hashing, ensuring data privacy and protection

[Campsite Reservations Project](#) - [Github Repo](#) | [Demo](#)

JavaScript | NodeJS | Express | PostgreSQL | CSS | HTML5
- Developed an app using React and Node to provide a streamlined user experience for making campsite reservations
- Integrated Javascript to create a dynamic website and Sequelize to capture and store user data
- Employed browser developer tools to identify and fix bugs in JavaScript code

Jiant Hard Kombucha | San Diego, CA   *Aug 2021 - May 2023*
Territory Manager
- Created value with customers and distributor partners by developing, collaborating, and executing account-specific marketing plans that grew the categories and increased sales
- Increased sales and profitability by conducting market research, evaluating consumer trends, and analyzing competitors in order to expand distribution
- Utilized sales software service to create dynamic spreadsheets for customer and wholesaler presentations

Mikkeller Brewery | San Diego, CA   *Jan 2018 - Aug 2021*
Southern California Sales Manager
- Created long term partnerships and exceeded sales goals through cold calling and warm leads
- Optimized personal sales strategies by maximizing the ROI for the territory and expediting issue resolution to secure lasting brand partnerships
- Executed weekly email campaigns to generate new business, educate existing customer base and showcase the companies unique voice and products

Houzz | San Diego, CA   *Jan 2017 - Dec 2017*

Allegiance | San Diego, CA   *Jan 2016 - Dec 2016*
